Projects Manager

Job Location: Poole, Dorset
Job Type: Permanent
Salary: Depending on experience + excellent benefits package
Hours: 39 hours per week

A dynamic, forward thinking, ambitious and career driven Projects Manager is required for a Permanent opportunity based in Poole, Dorset on the South Coast. Poole is a jewel, catering for all from Europe's largest natural harbour, seven miles of stunning beaches, bustling quayside to all year round events. Poole is in easy reach of Bournemouth, the Jurassic Coast and the New Forest.

Dorset offers a variety of hidden gems to explore, bustling nightlife, Sunseekers Rally, Bournemouth 7's, Fishing, Watersports, Firework nights, Bournemouth Airshow along with being home to both a Championship and Conference South Football team.

Poole is easily accessible by road, rail and air:

- **Road** (Southampton - 30 mins, London - 1.5hrs)
- **Rail** (London Waterloo to Weymouth (2.5hr approx.) via Bournemouth, Poole & Dorchester)
- **Airports** (Bournemouth International also London Heathrow & London Gatwick (approx. 1.5hrs and 2hrs drive from Dorchester respectively); Exeter (approx. 1.25hrs drive); Bristol (approx. 2hrs drive))

What more can you ask for on your doorstep!

About the Employer...

A world class organisation who carry out the design and manufacture of Heat Exchangers and Pressure Vessels for the Oil, Gas and Petrochemical Market. They have patented unique products within the niche market, which has proudly seen them recognised around the world as the leading supplier of heat transfer technologies.

Through consistent and maintained growth, they are continually identifying and developing solutions in a wide range of emerging technologies, putting them at the forefront of their industry.

With manufacturing and operations across two sites in the UK and a network of agents across all other areas of the world, the Employer can provide a global and bespoke service to their customers and partners wherever they are operating.

Boasting a bustling client portfolio of global blue chip companies, opportunities to work alongside the world's leading energy and petrochemical companies are part of an average day.

Based from a modern, state of the art manufacturing and operations facility, which is second to none, you will be welcomed into a professional, friendly working environment which has a strong focus your personal development.

So if you want a career that is challenging, full of exciting progression opportunities, working in one of the fastest growing industries in the world and offering continuous training & support to develop your skills then read on...!!

About the Projects Manager vacancy...

This role will see you own and manage assigned projects, ensuring on time delivery, quality and budget, maintaining the highest levels of customer satisfaction.

Key responsibilities will be to:

- Lead multi-discipline cross functional teams to successfully deliver an assigned portfolio of large scale complex and smaller scale/value projects
- Full project and commercial responsibility

Tel: 01202 686000
